### **PRESIDENT'S REPORT**

Dr. Contino reported that on May 20, 2015 the first National Council of State Boards of Nursing (NCSBN) President's Conference call was held. He noted that only ten states participated in the call and he was proud that Delaware was represented. The conference calls will be held every other month and the next call is scheduled for July 20, 2015. The major focus of discussion during the call was on the new compact legislation. Dr. Contino explained that the NCSBN is making efforts to encourage the Board Presidents to network throughout the year and not just at the annual meeting.

### **EXECUTIVE DIRECTOR'S REPORT**

Dr. Zickafoose reported that she received an email from NCSBN regarding the compact legislation and they are conducting a survey to inquire if the state nursing associations are supporting the two new compacts that were recently approved. Dr. Zickafoose reported she contacted the Delaware Nurses Association and they are in support of the new compacts. The NCSBN Annual Meeting will be held in August. Dr. Zickafoose needs to know who is interested in attending so that she can submit the waivers. She informed the Board that the Division's Chief Hearing Officer, Roger Akin, was part of a panel presentation at the NCSBN's Discipline and Investigations Conference. Mr. Akin spoke about discipline related to compact licensure. The Division's Investigative Supervisor, Jeff Ford, also attended the conference.

The Midwifery legislation as well as the Delaware Medical Orders for Scope of Treatment (DMOST) bill were recently signed by the Governor. Dr. Zickafoose provided an update on the Board's pending legislation and highlighted the amendments that were submitted. She commended Dr. Williams for her hard work with the APN legislation. The Board discussed the most recent provision to SB101 suggested by the Board of Medical Licensure and Discipline.

Dr. Zickafoose confirmed the Board received the policy and procedure memo from Director Mangler about the end of the fiscal year Board payments.

Mr. Coffield answered yes to question #19, and stated that he was pardoned in 2009. Mr. Coffield submitted proof of the pardon, but the theft charge did not appear to be included. Mr. Coffield submitted a letter of explanation, multiple letters of reference, and disposition paperwork. After Board discussion, Mr. Salati made a motion, seconded by Ms. Halpern, to grant Mr. Coffield a waiver to sit for the NCLEX exam. By unanimous vote, the motion carried.

She does not have any practice hours as she has not worked as a RN since obtaining licensure in Vermont. She was originally licensed as a RN in the Philippines. The Board discussed if a Supervised Practice Plan would be required. Ms. Singh advised that 24 *Del.C.* §1910(6) would allow the Board to approve Ms. Joy for licensure based on her recent passing of the NCLEX. After Board discussion, Ms. Bradley made a motion to grant Ms. Joy a waiver for licensure, seconded by Ms. Nellius. By unanimous vote, the motion carried.

A letter of explanation, two letters of reference, and disposition paperwork were submitted for review. Ms. Singh explained that a summary offense is below a misdemeanor and the Board discussed if Ms. Hoffman's application needed to be brought before them for review. After discussion, the Board agreed that moving forward if

an applicant's offense is more akin to that of a traffic violation, then their response of "no" to the application question regarding any previous convictions can be considered truthful and will not require Board review.
